

MEMBERSHIP LEVELS OF THE OTAGO BOYS' HIGH SCHOOL FOUNDATION

Membership of the Foundation is granted by the Board of Trustees to any persons who pay the membership amount or make an appropriate pledge amount to the Foundation. Pledges, under normal circumstances, can be paid over a period which suits the benefactor. The different levels of Foundation membership, and the pledge amounts associated with those levels, are indicated below.

The Board of Trustees will review these levels every five years.

JAMES MACANDREW SOCIETY MEMBERSHIP is bestowed on any persons who make a pledge or pledges amounting to at least \$100,000. This is the most senior recognition through the Foundation. The James Macandrew Society is named in honour of the vision of Otago's first provincial governor, James Macandrew, who in 1861 brought into law the establishment of a high school in Dunedin.

TRUSTEE MEMBERSHIP is granted to any persons who pledge an amount of at least \$50,000. Trustees may, by their position, choose to sit on the Board, subject to the approval of the Board.

SENIOR FELLOW MEMBERSHIP is granted to any persons who pledge an amount of between \$25,000 and \$50,000.

FELLOW MEMBERSHIP is granted to any persons who pledge an amount of between \$2,000 and \$25,000.

OLD BOYS' MEMBERSHIP is granted to any persons who pay the annual membership of \$100. Any person who pledges \$2000 or more becomes a member for life, subject to the Rules of the Foundation, and may, at any time, upgrade membership to a different level by making the appropriate pledge.

Please go to the [membership page](#) for further information on becoming a member.
